Can You Hear Me?

Impacts of Noise on Whale Communication

Presented by: Susan Parks, PhD, Syracuse University

Wednesday, October 10 at 6:30 pm

Hosted by the Onondaga Audubon Society

This increasingly urbanized world is quite noisy! Noise pollution can interfere with the ability for wildlife to communicate. Some wildlife are adjusting their communication patterns by being louder or changing their pitch. Other wildlife may not be able to adapt. Join us as Dr. Parks talks about her long running research regarding responses of whale communication to noise pollution. Free and open to all.

Take Control of Your Financial Future:

Five Money Questions for Women

Presented by CJ Sturtevant of Edward Jones

Wednesday, October 24 at 6:30 pm

Please register: cj.sturtevant@edwardjones.com or call 315-450-1966

Women and men have differing considerations when it comes to long-term financial goals. For instance, because of a woman's longer life span, your needs may be significantly different than those of your spouse or others. Does your financial strategy fit your lifestyle and needs? Join us and learn more as we explore five critical money questions for women.
